Yes, Tania, I would very much like my correspondence to be shared with the members. It is of course very subjective, but I hope it states a position and will help the proceedings.

Thanks again, Dave

Dear Tania,

Thanks so much for keeping me informed about this review. I did read all the material you sent and I remain of the opinion that the Beach House should be allowed to remain in its current form as a service to the wider local community. I would simply add that another local, licensed establishment, the SoBo Beach Bar and Grill is wildly popular. So much so that a number of reviewers on its website have pointed out that it is too crowded. One stated that they prefer the seclusion and lovely natural feeling of Hengistbury Head, a view that I would endorse.

I cannot make it to the meeting next week, but I may be able to view proceedings online. In any case, I am simply a member of the local community who live in Hengistbury trying to seek a balance between nature, nimby-ism, and enjoyment of a beer and like-minded company while I watch the sun go down.

With very best wishes,
Dave Moore
