PETITION - INCOMPLETE VERSION (SOME COMMENTS MISSING)

Beach House Mudeford Petition

Unfortunately, not only do the Chair and Deputy Chair of the MSBHA (the resident's association that represent some of the beach hut owners on the sandbank) have a problem with the general public sitting on the benches, they have now called for a Licensing review of our premises.

We vehemently disagree with their assessment and need your support to help show BCP Licensing that their views are not representative of all users of the sandbank.

We have been running the site for over two decades, and operating in the current set-up since 2019, and despite all our best efforts to hasten a rebuild, this is unlikely to happen until next year. This is in part due to these actions disrupting our operations.

There has been no increase in incidents reported to us, or any other agencies, to support their claim that there is an increased risk to public safety. Whilst there are a lot of visitors to the sandbank, not all of these are our customers. Many are day trippers and hut visitors, and the popularity of the location is due to its natural beauty attracting visitors, rather than any increase in our operation. We do not view these visitors as a public nuisance, and we are impressed with how most visitors look after the area and treat it with respect.

The final point, "protection of children from harm", disappoints us most of all. We are a family friendly venue and always have been so. Our own children are a part of the history of the Beach House. We have seen generations grow up amongst the sand dunes and are proud of our reputation as a safe, family orientated venue. We've employed many children over the years and watched them grow up, returning each year to the holiday spot that made so many memories for themselves and their families, as many are now parents raising children of their own.

We are keenly aware of our responsibilities to not just run a business, but act as a de facto guardian of the area. We litter pick regularly, provide shop facilities, offer Huttie discounts, and we create jobs. We believe that this is a special place and that we have a responsibility to keep it so, for everyone.

We know many Hutties disagree with the decision of the MSBHC to call for this review, and whilst they are organising objections from the disgruntled minority, we want to give the happy majority the ability to submit their views too.

You can either write personally to the Licensing team at licensing@bcpcouncil.gov.uk to submit your views or fill out the form below to join our petition.

	The Beach House adds enormous value to all visitors local and from further afield

	Beachhouse is such an amazing; family friendly; clean; tidy; well looked after venue
	that brings the spit to life. Along side providing facilities for the local residence so
	they don't need to venture off the head for supplies; it brings the community at
	the spit together to all have a good time.
	From personal experience; the Beachhouse keeps the beach safe; clean; free of

	I am a frequent walker and visitor to the Sandbank; and customer of the Beach House. The venue provide a very welcome and valuable service to all members of the public; and hut dwellers; and particularly welcome four legged friends and families. They operate in a creative and sustainable way; and to be honest under challenging location and logistical conditions. With the access to the Sandbank being limited to walking and in the winter months only weekends supported by the ferry; we need to get behind these businesses in these challenging economic times.
	The continuation of their licence is critical so that they can continue offering their welcome hospitality.
Wendy Cowan	I have already commented on the provision of benches; which is a very welcome facility and supports the demographic and diversity needs of the community.

Lara Dew	These are ridiculous objections and purely selfish on the part of a few privileged
	hut owners and the hut owners group. The spit is for everyone - not just them! It's

	The beach house is a welcome site at the end of a walk and a community place to

	We are a family that use the Beach House fairly regularly. We love the ice creams;
Annie Banks	drinks and pizzas. We would miss it greatly; if it wasn't there.
	This business has been running on the headland for years. Sadly it's been waiting
	for permission to be passed on the new premises for a long time and in the
	meantime the business has been innovative; proactive and an asset to the area. I

	This is an area that attracts many visitors both day trippers; people dog walking;
	hut owners and families. I visit regularly and have done for many years. I have
	never seen any inappropriate behaviour or incidents and the beach hut cafe is a
	responsible business and who keep the area clean. I have never seen any antisocial
	behaviour in this location and it is arguably one of the cleanest beaches in our area.
	It is a family friendly location and the beach hut cafe respects that. The business

Natalie Hambleton	without incident.

Katharine Humphries Julian Browett	It is an extremely blatant attempt by the owners of beach huts to not allow the public to enjoy the spit. It is not theirs; it is for everyone to enjoy. I live in Mudeford and it is an important part of our community. It is a long walk to get to the spit; or an expensive ferry. There should be a place to sit and have food / drink to enjoy the surroundings. It is important for the community and it is important for people who are less able who need a place to recharge. We have a very large elderly community and they will not be able to enjoy the spit if we do not have the cafe and a place to sit. It's abelist to remove important benches and I'm extremely disappointed and honestly disgusted by the beach hut owners who have requested this review. Simply so they can have it to themselves. I have never once seen any danger; or any rowdiness. This is a great family orientated business that does much more than sell food and drink. I visit on average once per week and have never seen or heard off any disturbances or bad behaviour that could be attributed to the Beach House.
	We have visited Hengistbury for many years. We hired a beach hut every year when our grandchildren were young. They are now aged 18 and 20 and have many happy memories. Our much loved dogs ashes are scattered there and we visit regularly and bring her flowers. Please do not let a minority of people spoil it for those who love it so much. Antonella Crisante Jessica Troke Sian Hockridge Neil Tindle	The Beach House Mudeford has always been a welcome delight for me and my family and friends to visit (elderly and young) whenever we make a trip to the wonderful area that is Hengistbury Head. An opportunity to take a rest; enjoy the ambiance; watch the world go by and enjoy a coffee/cake or delicious offering. During the summer evenings I power walk along to the sandbank and to see the welcome lights of the Beach House gives me a sense of security knowing the friendly staff are around and I often see them at the end of the day tirelessly clearing; cleaning; making sure everything around is pristine and in order for the next day. How lucky are we to have such a lovely place to visit in this area of local beauty. I disagree with all the points raised in the MSBHS assessment.

Paul Williams	been so nice. I hope it continues; as I love it
Nicola Haycock	My family and I have loved the Beach House for generations; in all its various guises. We are very local and spend much of our time on the Spit. Although we can't afford a beach hut; the Beach House provides us; and many other multigenerational families; with a welcoming place to enjoy refreshments; meals; and ice creams without having to lug everything across the beach ourselves. The Beach House plays an essential role in keeping the Spit accessible and enjoyable for everyone; not just for those with private huts or boats. It's one of the few places where local families; walkers; and visitors can relax responsibly and feel part of this unique coastal community. The management has always been responsible; friendly; and mindful of the environment. We have never experienced noise or disruption just good food; good service; and a lovely community atmosphere. Losing or restricting their licence would have a real negative impact on ordinary local families and the inclusive character of the Spit. In short; please support the renewal and continuation of the Beach House licence; so it can carry on serving this wonderful community respectfully and sustainably for generations to come.

	We strongly feel like the benches should stay. We as a family walk down this
	stretch many times during the year; and having gone through major back surgery it is very useful to be able to rest now and again whilst taking in the sights of this beautiful landscape. If you compare it to a very similar stretch of coastline just up the road "The
	Sandbanks Peninsula " in Poole; there are so many benches to sit on in-front of beach huts and in similar surroundings. The elder generation and people with walking disabilities would also struggle with not being able to stop and rest along the way. We hope they will reconsider their decision and keep the benches/seating in position and if anything; include more.

Infortunately, not only do the Chair and Deputy Chair of the MSBHA (the resident's association that epresent some of the beach hut owners on the sandbank) have a problem with the general public sitting on the benches, they have now called for a Licensing review of our premises.
We vehemently disagree with their assessment and need your support to help show BCP Licensing that heir views are not representative of all the users of the sandbank.
We have been running the site for over two decades, and operating in the current set-up since 2019, and lespite all our best efforts to hasten a rebuild, this is unlikely to happen until next year. This is in part due to hase actions disrupting our operations.
There has been no increase in incidents reported to us, or any other agencies, to support their claim that here is an increased risk to public safety. Whilst there are a lot of visitors to the sandbank, not all of these are our customers. Many are day trippers and hut visitors, and the popularity of the location is due to its latural beauty attracting visitors, rather than any increase in our operation. We do not view these visitors as a public nuisance, and we are impressed with how most visitors look after the area and treat it with respect.
The final point, 'protection of children from harm', disappoints us most of all. We are a family venue and have always been so. Our own children are a part of the history of the Beach House. We have seen penerations grow up amongst the sand dunes and are proud of our reputation as a safe, family orientated enue. We've employed many children over the years and watched them grow up, returning each year to the soliday spot that made so many memories for them and their families, as many are now parents raising thildren of their own.
We are keenly aware of our responsibilities to not just run a business, but act as a de facto guardian of the rea. We litter pick regularly, provide shop facilities, offer Huttle discounts, and we create jobs. We believe hat this is a special place and that we have a responsibility to keep it so, for everyone.
We know many Huttles disagree with the decision of the MSBHC to call for this review, and whilst they are organising objections from the disgruntled minority, we want to give the happy majority the ability to submit he

			I am a frequent walker and visitor to the Sandbank; and customer of the Beach House. The venue provide a very welcome and valuable service to all members of the public; and hut dwellers; and particularly welcome four legged friends and families. They operate in a creative and sustainable way; and to be honest under challenging location and logistical conditions.

			With the access to the Sandbank being limited to walking and in the winter months only weekends supported by the ferry; we need to get behind these businesses in these challenging economic times.

YES	The Beach House Mudeford has always been a welcome delight for me and my family and friends to visit (elderly and young) whenever we make a trip to the wonderful area that is Hengistbury Head. An opportunity to take a rest; enjoy the ambiance; watch the world go by and enjoy a coffee/cake or delicious offering. During the summer evenings I power walk along to the sandbank and to see the welcome lights of the Beach House gives me a sense of security knowing the friendly staff are around and I often see them at the end of the day tirelessly clearing; cleaning; making sure everything around is pristine and in order for the next day. How lucky are we to have such a lovely place to visit in this area of local beauty.

VES	I disagree with all the points raised in the MSBHS assessment.
YES	The Beach House Mudeford has been part of the unique ambience of Mudeford Spit for so long; and I've enjoyed many superb occasions with my family over the years. I always feel my kids are safe when we are there and the staff have always been so nice. I hope it continues; as I love it
	My family and I have loved the Beach House for generations; in all its various guises. We are very local and spend much of our time on the Spit. Although we can't afford a beach hut; the Beach House provides us; and many other multi-generational families; with a welcoming place to enjoy refreshments; meals; and ice creams without having to lug everything across the beach ourselves. The Beach House plays an essential role in keeping the Spit accessible and enjoyable for everyone; not just for those with private huts or boats. It's one of the few places where local families; walkers; and visitors can relax responsibly and feel part of this unique coastal community. The management has always been responsible; friendly; and mindful of the environment. We have never experienced noise or disruption just good food; good service; and a lovely community atmosphere. Losing or restricting their licence would have a real negative impact on ordinary local families and the inclusive character of the Spit. In short; please support the renewal and continuation of the Beach House licence; so it can
	carry on serving this wonderful community respectfully and sustainably for generations to come.

13/10/2025 17:49	Mudeford spit is fabulous end to bournemouth sands and hengistbury head. It has proved
	a wonderful site to visit for friends and our grandchildren who live locally. The restaurant

	This becoming a spiteful; unfounded witch hunt by two people who have been trusted to represent beach hut owners on the spit; many of whom clearly say they disagree. It's petty.
	A massive waste of local money and resources too. It's absolutely ridiculous the council is
	having to give this the time of day. If anything they should go the other way; extend opening hours and put the beach hut association leaders back in their place. They may own
	a hut and its land but that's as far as it goes. If you're reviewing the beach house also
13/10/2025 17:54	review all the huts and their use of the land beyond their plot.
13/10/2025 17:55	The Sandbank is for everyone to enjoy and The Beach House helps enable that. It provides
	a great service to the local community; beach hut owners and businesses that let out their
	beach huts and visitors to our lovely area. It is a lovely place that we have taken our family
13/10/2025 17:57	since our children were young; they are now adults. It is a great addition to the area and enhances any visits. It is always clean and tidy and looked after well.

	The Beach House in Mudeford is a very special place that adds to the area - the objections
13/10/2025 18:06	are clearly from the minority as everyone we know loves the Beach House as a destination point after a walk or cycle in the area
	I worked at the beach house at hengistbury from the age of 14 up until 18 years of age. I
	worked alongside my Nan who worked there for years before me and after me leading up to her passing away in January 2022. The beach house was like a family to her and would

	enjoyed the relaxed; friendly vibe on a beautiful summers day. I've eaten pizza there and
	sat outside on the benches with my family it was lovely.
	From my experience; the Beach House adds to the atmosphere of the sandbank rather
	than detracts from it. It feels welcoming; well-run; and family-friendly.
	If benches around the cafe are now being questioned; it does raise the point of where that
	ends are the extra benches or seating areas outside some huts also a problem? It's
	important that rules are applied fairly and that shared spaces remain enjoyable for
13/10/2025 18:14	everyone.

	The sand spit at hengistbury head is public space; the beach house provides a great place to eat and drink. 		This is an area of outstanding natural beauty that locals and visitors alike treasure. We go there every weekend and always bring friends and family it's a special place that attracts people who want to enjoy the stunning views; peaceful atmosphere; and a well-earned glass of wine after a long walk.
		If the licence were revoked; it would completely change the experience. Many people make the 30-minute walk specifically because they know they can relax at the bar at the end it's part of what makes the area so special. Without that; visitors would simply stop coming. The bar would lose staff; the ferry would lose custom; and the whole area would suffer economically and socially.
		I've never seen any antisocial behaviour or safety issues in all the times I've visited just families; friends; and walkers enjoying themselves respectfully. Removing the licence would punish a responsible; well-run local business that has been part of the community for years; and it would unfairly impact everyone who loves and supports the area.
344 13/10/2025 20:43	VE	The Beach House adds life; employment; and enjoyment to this beautiful spot taking away its licence would be a huge mistake and a loss for the wider community.

Why should the spit be for only those who can afford a beach hut? It's a public place of beauty and it should be enjoyed by as many people as possible. The beach house help keep the local area clean and provide a valuable service of ice cream; food and refreshments to those visiting our area. I can only assume those complaining have nothing better to do and would rather see the spit unused and keep it for themselves. Id love to see any evidence they have supporting their request. I've only ever seen good

Not a local resident but visit Mudeford Spit/Beach House regularly when on holiday. Current seeting must be kept plus never seen any trouble when visiting, Beach House does a great job. 14/19/2015 04:08 TES agreat job. This is a failily friendly place with a chilled, friendly and inclusive vibe and the easygoing environments sets it apart from many other licensed premises. After taking the walk up to Hengistbury Head and heading onto the spit, it is a godsend to have somewhere pleasant to sit and relax for awhile; away from the masses. It would be a shame if this was taken away at the behest of an entitled few; who seem to want to make the spit exclusive for themselves. 141 14/19/2015 06:31 142 14/19/2015 06:31 143 14/19/2015 06:51 144 14/19/2015 06:51 145 14/19/2015 06:50 The baach house adds tso much value to Mudeford spit. This is a family friendly place with a chilled; friendly and inclusive vibe and the easygoing environment sets it apart from many other licensed premises. After taking the walk up to Hengistbury Head and heading onto the spit; it is a godsend to have somewhere pleasant to sit and relax for awhile; away from the masses. It would be a shame if this was taken away at the behest of an entitled few; who seem to want to make the spit exclusive for themselves. 1410/2025 06:31 1410/2025 06:31 1414 14/10/2025 06:31 1415 14/10/2025 06:56 1415 14/10/2025 06:56 1416 14/10/2025 06:51 1417 14/10/2025 06:50 1418 14/10/2025 07:02 1419 14/10/2025 07:02 1410 14/10/2025 07:03 1410 14/10/2025 07:03 1410 14/10/2025 07:03 1411 14/10/2025 07:03 1412 14/10/2025 07:03 1413 14/10/2025 07:03 1414 14/10/2025 07:03 1415 14/10/2025 07:03 1416 14/10/2025 07:03 1417 14/10/2025 07:03 1418 14/10/2025 07:03 1419 14/10/2025 07:03 1419 14/10/2025 07:03 1420 14/10/2025 07:03 1431 14/10/2025 07:03 1441 14/10/2025 07:03 1452 14/10/2025 07:03 1453 14/10/2025 07:03 1454 14/10/2025 07:03 1455 14/10/2025 07:03 1456 14/10/2025 07:03 1457 14/10/2025 07:03 1458 14/10/2025 07:03 1459 14/10/2025 07:03 1450 14/10/2025

		In all the years we have been visiting Mudeford Spit; we have seen nothing but

377		We as a wider family have been visiting this area here for over 40 years and feel the
		restaurant has added to the area since opening and extending and find it unbelievable that
		a few people would try and take this away from the majority of clientele. It adds so much to
		the area and even provides a much needed supply of goods; meals and drinks to the
		people that stay here or visit for a few hours or for a day.
		Inclusion and diversity is such a buzzword these days and perhaps the committee should
		look at this before they take these actions.
		The revenue from the train and the ferry also helps fund the local area and find it incredibly

		I am writing to express my strong support for the Beach House and my opposition to the
		call for a review of its licence.
		The Beach House is an outstanding; well-managed facility that brings life; energy; and
		genuine community spirit to this part of the coast. It has become a valued destination for local residents and visitors alike; offering a safe; welcoming; and family-friendly
		environment that enhances the area for everyone.
		It is important to note that while beach hut owners may own their huts; the beach and
		surrounding area are public spaces and should remain accessible to all. The suggestion that
		the Beach House poses any risk to public safety or to children is entirely unfounded. Having
		visited regularly for many years; I have always found it to be responsibly run; with a friendly and respectful atmosphere.
		I believe it is also worth the Committee considering whether the motivation behind this
		review may be less about genuine public concern and more about a desire by a small
		number of hut owners to reduce the number of visitors who now enjoy the area. The Beach House attracts people to the sandbank; but it does so in a positive way â€"
		encouraging responsible use of a beautiful public space that should be open to everyone;
		not reserved for a privileged few.
		Far from being a problem; the Beach House contributes significantly to the character and
		vitality of the sandbank. It supports local employment; brings revenue into the area; and provides a sense of shared enjoyment that reflects the best of coastal community life.
		To remove or restrict its licence would be both unfair and short-sighted. It would penalise a
		well-run business that enriches the area and benefits the wider community; simply to
		satisfy the objections of a minority who appear reluctant to share a public space.
		I therefore urge the Licensing Committee to recognise the Beach House as the valuable community asset it is; and to allow its continued operation under the existing licence
