## Background

1. An application for a new premises licence under Section 17 of the Licensing Act 2003 was made on 9 December 2025. The application is to permit the Supply of Alcohol (On and Off the premises) Monday to Sunday 07:00 to 23:00 and from 07:00 on New Year's Eve until 02:00 on the 1 January. A copy of the application is attached at Appendix 1.
2. A copy of a plan showing the location of the premises is attached at Appendix 2.
3. The premises currently hold a premises licence, BH182896, that permits the same activities at the same times as requested in the new application. This licence was initially granted by the Borough of Poole Legacy Authority with the terminal hour for the supply of alcohol until 22:00. The premises extended their hours to 23:00 in March 2021 through a full variation application. Our records confirm that this was advertised in accordance with the Licensing Act 2003, and as no representations were received during the consultation period, the variation was duly granted. A copy of the current premises licence is attached at Appendix 3.
4. The reason for the new application is a change in the location of the licensable area within the premises. Rather than varying the existing licence, the operators have applied for a new licence to update the layout plan.

## Consultation

5. The application was served on all responsible authorities, and the applicant has confirmed that statutory notices were displayed on site and published in the local newspaper.
6. The application prompted five representations from local residents on the grounds that granting the licence would undermine the prevention of public nuisance licensing objective. Copies of the representations are attached at Appendix 4.
7. No representations were received from any of the responsible authorities. As the representations received were made on the grounds of Public Nuisance I checked with the Environmental Health Department, and they advised they did not object because no regulated entertainment had been applied for and they had only received 2 recent complaints regarding noise, one in 2023 and another in August 2025 and the 2025 complaint had been closed as it was limited and no further information had been received from members of the public. It is important to note that under the Live Music Act 2013, no authorisation is required for live or recorded

music between 08:00 and 23:00 on premises that permit the on sale of alcohol, provided the audience does not exceed 500.

## **Policy and Guidelines**

8. It is acknowledged that the terminal hour for licensable activities stated in the application is 23:00, and that no regulated entertainment is being sought. However, it is important to consider BCP Council's Statement of Licensing Policy, particularly the following provisions:

*16.3 The Licensing Committee expects applicants to have regard to this statement of licensing policy when completing their operating schedule.*

*Applicants are expected provide sufficient information within their applications to ensure that they demonstrate the steps they propose to take to promote the licensing objectives.*

*16.6 Applicants are expected to include positive proposals in their application on how they will manage any potential risks. Where specific policies apply in the area (for example, a cumulative impact policy), applicants are also expected to demonstrate;* • An understanding of how the policy impacts on their application • Any measures they will take to mitigate the impact • Why they consider the application should be an exception to the policy

*16.7 It is expected that enquiries about the locality will assist applicants when determining the steps that are appropriate for the promotion of the licensing objectives. For example, premises with close proximity to residential premises should consider what effect this will have on their smoking, noise management and dispersal policies to ensure the promotion of the public nuisance objective. Applicants must consider all factors which may be relevant to the promotion of the licensing objectives and where there are no known concerns, acknowledge this in their application.*

9. Revised Guidance issued under Section 182 of the Licensing Act 2003 updated and published on 26 November 2025. This guidance is provided to licensing authorities in relation to carrying out their function under the 2003 Act. The updates relate to clarifying licensing authority discretion (case-by-case decisions).

A spokesperson for the Home Office said:

*“The update to the Section 182 Guidance has been added to help ensure that, when determining licence applications and considering any conditions that may apply, Licensing Authorities have in mind the need to support the development of a thriving hospitality sector while still upholding the existing statutory licensing objectives.*

*The new line in the guidance is 1.18, when making licensing decisions, all licensing authorities should consider the need to promote growth and deliver economic benefits”*

## **Options Appraisal**

10. Before making a decision, Members are asked to consider the following matters: -
  - The representations made by other persons.
  - The submissions made by or made on behalf of the applicant.
  - The relevant licensing objectives, namely the prevention of public nuisance.

- The Licensing Act 2003, Regulations, Guidance and Council's Statement of Licensing Policy.
