Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The relevant mandatory conditions shall apply to the licence.

This licence will have no effect unless and until Premises Licence BH182896 is surrendered.

b) The prevention of crime and disorder

The premises shall install and thereafter maintain in good working order a digital CCTV system covering all public parts of the premises internally and externally (except for the lavatories). Recordings shall be maintained for 31 days, facilities will be made available for the Police and other authorised officers to view recordings on request and be provided with copies in a playable format as soon as reasonably practical, provided that all such requests comply with data protection legislation.

The premises shall maintain an Incident Book to record:

Any instance of crime and/or disorder occurring at or immediately outside the premises;

Any ejection of a customer from the premises and the reason for the same;

Any refusal to supply alcohol to any person and the reason for the refusal.

In each case, the name of the member(s) of staff dealing with the incident shall be noted.

The Incident Book shall be checked no less frequently than monthly by the DPS who shall sign to that effect and be made available for inspection by Police and other authorised officers on request.

A waiter/waitress service shall be available at all times.

Non-alcoholic beverages including tea and coffee shall also be available at all times.

c) Public safety

Note for information that the applicant does not consider it appropriate to propose any condition under this licensing objective, in part because other legislation (such as the Regulatory Reform (Fire Safety) Order 2005) has effect.

d) The prevention of public nuisance

Note for information that the applicant does not consider it appropriate to propose any condition under this licensing objective, in part because any music entertainment would be provided under the Live Music Act.

e) The protection of children from harm

The premises shall adopt a "Challenge 25" policy whereby any person who appears to be under 25 years of age will be required to produce photographic proof of age in one or other of the forms specified by the mandatory conditions before being served alcohol.

All staff involved in the supply of alcohol who do not themselves hold a Personal Licence shall be trained regarding restricted supplies of alcohol to persons who are underage and/or intoxicated and on the terms and conditions of this licence.

Refresher training shall be provided at least annually.

A written record of all training shall be maintained and be made available for inspection by police and other authorised officers on request.
