Background

1. The drivers detail, history and reasons for referral all attached at Appendix 1.
2. Full details of correspondence between the licensing officer and the driver are attached at Appendix 2.

Test of Fit and Proper Person

3. Given the information provided members are asked to consider if the driver remains a 'Fit and proper person'.
4. This phrase occurs in legislation but there is no judicially approved definition or test of fitness. In the absence of such a test, the Licensing Sub-Committee must look at the whole of a person's character before determining their suitability to hold a licence.
5. The BCP Council Hackney Carriage and Private Hire Driver Policy 2026-2031, sets out in Chapter 8 the Fit and Proper Person test and in particular at paragraphs

8.3 The Licensing Authority has a duty to take a robust stance in ensuring that applicants and licence holders are and remain 'fit and proper' to hold a licence at all times.

8.10 In essence a 'fit and proper' person;

- should be honest, trustworthy and have integrity

8.13 The Licensing Authority will consider all criminal history, unacceptable behaviour and conduct, irrespective of whether the specific history, behaviour or conduct occurred whilst drivers were directly engaged in Private Hire or Hackney Carriage work at the time or whether they occurred during the driver's own personal time.

6. Members are also asked to consider the guidance within the Statutory Taxi and Private Hire Vehicle Standards issued by the Department for Transport which was updated in November in 2022. Paragraph 3 states:-

The primary and overriding objective of licensing (the taxi and PHV trade) must be to protect the public. The importance of ensuring that the licensing regime protects the vulnerable cannot be overestimated.

7. Chapter 5 sets out guidance for decision makers. Particularly paragraphs 5.4 to 5.6 state;

Licensing authorities have a duty to ensure that any person to whom they grant a taxi or private hire vehicle driver's licence is a fit and proper person to be a licensee. It may be helpful when considering whether an applicant or licensee is fit and proper to pose oneself the following question:

Without any prejudice, and based on the information before you, would you allow a person for whom you care, regardless of their condition, to travel alone in a vehicle driven by this person at any time of day or night?

If, on the balance of probabilities, the answer to the question is no, the individual should not hold a licence.

Licensing authorities have to make difficult decisions but (subject to the General principles) the safeguarding of the public is paramount. All decisions on the suitability of an applicant or licensee should be made on the balance of probability. This means that an applicant or licensee should not be given the benefit of doubt. If the committee or delegated officer is only 50/50 as to whether the applicant or licensee is fit and proper, they should not hold a licence. The threshold used here is lower than for a criminal conviction (that being beyond reasonable doubt) and can take into consideration conduct that has not resulted in a criminal conviction

8. The Institute of Licensing Suitability Guidance published in November 2024 Chapter 3 states that taxi and private hire vehicles are used regularly particularly by vulnerable groups and a taxi or private hire driver has significant power over a passenger who places themselves and their personal safety completely in the drivers' hands.

The Guidance also reminds us in Paragraph 3.31 that: -

Case law makes it clear that the impact of losing (or not being granted) a driver's licence on the applicant and their family is not a consideration that can be taken into account.

Leeds City Council v Hussain [2002] EWHC 1145 (Admin), [2003] RTR 199 Admin Ct and Cherwell District Council v Anwar [2011] EWHC 2943 (Admin), [2012] RTR 15 Admin Ct.

9. Members should apply the requirements of the BCP Taxi and Private Hire Driver's Policy and this guidance when considering whether this applicant is a fit and proper person to hold a public carriage driver's licence.
