		<p>3. The Overview and Scrutiny Board welcomed the development of the Town Centre Vision for Bournemouth and requested to scrutinise the regeneration visions for the 3 Towns in the BCP Area as these are redeveloped.</p>		<p>Accepted – update provided</p>	<p>We are developing the narrative across the three towns identifying key strengths and uniqueness to build upon the vision set out in the Corporate Strategy : vibrant places, where healthy people and nature flourish, with a thriving economy in a healthy natural environment. To support this we've made good progress by the establishment of a Citizen's Panel and the Growth Board. The Citizen's Panel comprises of residents with a focus on the town centre which is helping to provide insight into how residents feel and engage within the space. The Growth Board is a newly established steering group which is comprised of representatives from key sectors within the BCP conurbation including Business Improvement District, education, manufacturing, Starts up and the volunteering sector. These perspectives are helping to shape our vision for BCP as a place which can thrive, for residents to feel civic pride and a destination for visitors to enjoy. The conversation at the O&S focussed on how Winter Gardens fits into the wider context of the Town Centre and committee members asked for that to form part of any proposals from BDC. There is an existing Town Centre Vision which forms part of the Local Plan, and the intention is for BDC to review this to support a future planning application, ensuring it reflects the nature of the development proposals in</p>
