

notes

The **applicant should report all driving errors**, omissions and discrepancies to the competent authority. All dimensions should be checked on site and the contractor and such dimensions shall be the contractor's responsibility. **Alford Hall** (Mansington North Limited) accepts no responsibility for liability for:

- any use of this drawing by parties other than the party for whom it was prepared;
- any alterations or additions or to discrepancies arising out of changes to the background information on which the drawings are based that was current at the time of issue and which occur to that information after it has been issued;
- any loss or degradation of the information held in this drawing resulting from a transition from the original file format to any other file format or from the use of a different version of the software used to create the drawing or the programme other than that which was used to prepare it;
- the accuracy of survey information provided or others for any costs, errors, omissions or discrepancies other than those for which the contractor is responsible.

The contractor shall be responsible for the use of the drawing and its suitability for the purposes of the planning application to which it relates. Any modifications or changes made to it without prior written consent of Alford Hall.

When this drawing is issued in uncontrolled CAD format it will be accompanied by a set of instructions detailing the correct use of the drawing and the contractor's responsibility for ensuring that the drawing is used correctly. The contractor's responsibility for ensuring that the drawing is used correctly is not limited by the fact that the drawing is issued in uncontrolled CAD format.
